WAIVER OF LIABILITY TO RECONNECT WATER & UTILTY SERVICE

The policy of the Town of Woodsboro Utilities is that for service reconnection (whether or not a responsible party is on the premises), this waiver of liability form must be completed and signed by the property owner/renter/occupants and filed with the Town of Woodsboro's Water Department Clerk. This waiver must be completed every time the service is reconnected.

RELEASE AND WAIVER OF LIABILITY: Property Owner/Renter/Occupant hereby RELEASES, WAIVES and DISCHARGES the Town of Woodsboro, its successors and assigns, and its officers, employees, agents and consultants, from all liability, loss, claims, damages, possible or actual causes of action, cost, attorneys' fees, and other expenses arising from any actions, claims, arbitrations, demands or lawsuits that may otherwise accrue, including claims for or relating to damages, loss or injury to persons or property, in any way resulting from or related to the reconnection of the water service to this property, from any cause whatsoever.

By signing below, I am stating that I have read this agreement and understand the possible ramifications of allowing water service reconnection without a responsible party on the premises and that I am the owner/renter/occupant of the property listed above:

Property Owner/Renter/Occupant Name (Please Print) Phone Number

Signature of Owner/Renter/ Occupant Date
